The history of political thought dates back to antiquity while the history of the world and thus the history of political thinking by man stretches up through the Medieval period and the Renaissance. In the Age of Enlightenment, political entities expanded from basic systems of self-governance and monarchy to the complex democratic and communist systems that exist of the Industrialized and the Modern Era. In parallel, political systems have expanded from vaguely defined frontier-type

by Ellen Meiksins Wood. From Machiavelli to Rousseau, reading theorists as responding to the conflicts of their time. The formation of the modern state, the rise of capitalism, the Renaissance and Reformation, the scientific revolution and the Age of Enlightenment have all been attributed to the “early modern” period. Nearly everything about its history remains controversial, but one thing is certain: it left a rich and provocative legacy of political ideas unmatched in Western history.
