Inspired by Alcoholics Anonymous's 12 Steps and 12 Traditions, *Actors Anonymous* is a dark, genre-bending work that mixes memoir and pure invention in an audacious examination of celebrity, acting and the making of fiction. *Actors Anonymous* is unsettling, funny and personal - a series of stories told in many forms: a McDonald's drive-thru operator who spends his shift trying on accents; an ex-child star recalling a massive beachside bacchanal; hospital volunteers putting a camera in the hands of a patient obsessed with horror films; a vampire-flick starlet who discovers a cryptic book written by a famous actor, who may have killed his father and gone on the run. The book contains profound insights into the nature and purpose of acting. Franco mercilessly turns his 'James Franco' persona inside out while, at the same time, providing a fascinating meditation on his art, along with nightmarish tales of

excess. 'Hollywood has always been a private club,' he writes. 'I open the gates. I say welcome. I say, Look inside.' Franco's writing is vivid and disturbing, but what distinguishes his work is the great compassion he extends towards his characters, who he presents in all their raw humanity, while at the same time providing insight into their deeper selves.

A collection of stories about troubled California teens and misfits follows the misadventures of a band of youths who experiment with vice in such tales as "American History" and "I Could Kill Someone."

I'm here to cheat time. You can see time and exhaustion Taking pay from my face— In fifty years My sleep will be death, I'll go like the rest, But I'll have played All the games and all the roles. —from "Nocturnal" "There's never been a book quite like this.

Hollywood—fame, celebrity, the promise of becoming an artist—is the beast at its center. Franco knows it like Melville knows whaling. Hollywood in this book devours its young. Obsessed with myths about its own past, it can be survived only by finding a vantage point that is not Hollywood. Bold yet subtle, fearless yet disarming, Franco has made a book you will never forget." —Frank Bidart "A star-studded cast moves like ghosts across the screen of James Franco's poetic consciousness, imbuing the writing with scenes of icons who are also humans replete with sorrow and presence in our own psyches. Mineo, Heath Ledger, pass and fade. The author has a wonderful, self-reflexive insouciance about his own fame and roles inhabited, from Hart Crane to Allen Ginsberg to Harvey Milk's lover. Franco is a gifted contemporary Renaissance kind of guy, surveying the waterfront of illusion, suffering, and impermanence. We leave the movie theater a little wiser." —Anne Waldman

Straight James / Gay James, actor James Franco 's new chapbook of poems, explores the facets of his public and private personas. Straight James / Gay James is a poetic bildungsroman—raw, candid, and uninhibited. James Franco writes about life as an actor, sexuality, questions of identity, gender, family, Gucci, Lana Del Rey, James Dean, Hollywood, and more. His poetic style varies from the imagistic to the prosaic. The chapbook also contains an

In his follow-up to *A California Childhood*, James Franco reflects on his life in Hollywood and beyond through an intimate and powerful series of poems, artwork, and short stories. In his follow-up to the critically acclaimed *A California Childhood*, James Franco presents a compelling portrait of the life of a young actor coming into his own in Hollywood. Told in an absorbing array of literary styles and art forms—from short stories and poems to personal snapshots, paintings and self-portraits—*Hollywood Dreaming* brilliantly pieces together the youth of a seemingly familiar actor, playfully blurring the line between reality and fiction. escapades of a jaded Hollywood insider counter a series of interconnected stories about a boy named Shrimp and the hopeful young actor he becomes. Each piece of the story, whether visual or textual, thoughtfully peels away another layer of the book 's protagonist, whose character unfolds like a Russian nesting doll. Ultimately, the collage that James Franco creates becomes a fascinating caricature of himself, a performance on the page that is equal parts provocative, funny, and emotional.

High school artist Ovid's journal recasts his classmates' lives and loves as modern-day Roman mythology, while slowly revealing his own struggles with parents who need him to be the perfect son in the wake of his meth-addicted sister's disappearance.
