In a distant future, eighteen-year-old Lugh is kidnapped, and while his twin sister Saba and nine-year-old Emmi are trailing him across bleak Sandsea they are captured, too, and taken to brutal Hopetown, where Saba is forced to be a cage fighter until new friends help plan an escape.

The book that will “blow you away” ** has a dazzling new look in paperback! Saba has spent her whole life in Silverlake, a dried-up wasteland ravaged by constant sandstorms. The Wrecker civilization has long been destroyed, leaving only landfills for Saba and her family to scavenge from. That's fine by her, as long as her beloved

twin brother Lugh is around. But when four cloaked horsemen capture Lugh, Saba's world is shattered, and she embarks on a quest to get him back. Suddenly thrown into the lawless, ugly reality of the outside world, Saba discovers she is a fierce fighter, an unbeatable survivor, and a cunning opponent. Teamed up with a handsome daredevil named Jack and a gang of girl revolutionaries called the Free Hawks, Saba's unrelenting search for Lugh stages a showdown that will change the course of her own civilization. Blood Red Road has a searing pace, a poetic writing style, and an epic love story—making Moira Young is one of the most exciting new voices in teen fiction.

All three books in the highly praised Dust Lands trilogy, which MTV's Hollywood Crush blog called "better than The Hunger Games," are now available in a collectible paperback boxed set. In Blood Red Road, Saba is forced to flee Silverlake, a dried-up wasteland ravaged by constant sandstorms, when four cloaked horsemen capture her beloved twin brother Lugh. Suddenly thrown into the lawless, ugly reality of the outside world, Saba discovers she is a fierce fighter—and when she teams up with a handsome daredevil named Jack and a gang of girl revolutionaries, Saba stages a showdown that will change the course of her civilization. The action continues in Rebel Heart when a new enemy arises, and Saba needs all of her warrior's strength just to survive. The stakes only get higher in Raging Star. Because although Saba knows how to fight—she's not called the Angel of Death for nothing—sometimes there are fights that cannot be won. How much will she sacrifice to save the people she

loves? This riveting trilogy is “ a natural for Hunger Games fans ” (Publishers Weekly) that makes an ideal gift.

After rescuing her twin brother from the Tonton, Saba experiences disturbing telepathic visions while being hunted by a cunning enemy.

When Saba's brother is stolen, red rage fills her soul. She races across the cruel dustlands to find him. Saba can trust no-one. Even the boy who saves her life. She must silence her heart to survive. Blood will spill.

The much-anticipated, thrilling conclusion to Moira Young's Dust Lands trilogy. When the star reader, Auriel Tai, challenged Saba to seize her destiny and defeat DeMalo and the Tonton, Saba was confident in her purpose. Then she met DeMalo and he confounded all expectations with his seductive vision of a healed earth, a New Eden. DeMalo and Saba had an intense and passionate encounter - physical, emotional and psychic - that changed her life, and now he wants Saba to join him, in life and work, to create and build a healthy, stable, sustainable world...for the chosen few. Jack's choice is clear: to fight DeMalo and try to stop his dangerous New Eden project. Still uncertain, her connection with DeMalo a secret, Saba commits herself to the fight. Joined by her brother Lugh, anxious for the land in New Eden, Saba leads an inexperienced guerilla band against the powerfully charismatic DeMalo, in command of his settlers and the Tonton militia. What chance do they have? Saba must act. And

Davy David, an orphan, lives by his wits in the dead-end town of Brownvale. When a stray dog named George turns Davy ' s life upside down just days before Christmas, Davy sets in motion a chain of events that forces them to flee. A mischievous wind blows the two of them to a boarded-up museum on the outskirts of town where they meet the elderly recluse, Miss Flint. She has planned one last adventure before her time is up and hires the reluctant Davy and George to escort her. As they travel, the most peculiar thing begins to happen—Miss Flint gets younger and younger with every mile, and her story unfolds along with it. Moira Young's *The Road to Ever After* is a magical and moving adventure about an unlikely friendship and an unforgettable journey.

“ Once upon a time there was a girl who was special. This is not her story. Unless you count the part where I killed her. ” Sixteen-year-old Alison wakes up in a mental institution. As she pieces her memory back together, she realizes she ' s confessed to murdering Tori Beaugrand, the most perfect girl at school. But the case is a mystery. Tori ' s body has not been found, and Alison can't explain what happened. One minute she was fighting with Tori. The next moment Tori disintegrated—into nothing. But that's impossible. No one is capable of making someone vanish. Right? Alison must be losing her mind—like her mother always feared she would. For years Alison has tried to keep her weird sensory abilities a secret. No one ever understood—until a

mysterious visiting scientist takes an interest in Alison ' s case. Suddenly, Alison discovers that the world is wrong about her—and that she ' s capable of far more than anyone else would believe.

The New York Times bestselling sequel to *Wither* reveals a world as captivating—and as treacherous—as the one Rhine left behind. Rhine and Gabriel have escaped the mansion, but they ' re still in danger. Outside, they find a world even more disquieting than the one they ran away from. Determined to get to Manhattan and find Rhine ' s twin brother, Rowan, the two press forward, amid threats of being captured again...or worse. The road they are on is long and perilous—and in a world where young women only live to age twenty and men die at age twenty-five, time is precious. In this sequel to Lauren DeStefano ' s harrowing *Wither*, Rhine must decide if freedom is worth the price—now that she has more to lose than ever.

Alek and Deryn are back onboard the *Leviathan*. The ship is ordered to pick up Tesla, a Russian inventor who has created a machine he claims can destroy half of the world, which he is using as a threat to impose peace. Alek wants to the end the war, so decides to back Tesla politically, as do the Darwinists. Meanwhile Deryn is still pretending to be a boy, though Alek has figured out her true identity, and promises to keep her secret. With stops in New York, California and Mexico, Deryn and Alek encounter adventure and intrigue at every turn, but when a secret German plan to sabotage Tesla's machine leads to a heart-stopping stand-off, as Tesla
