His goal was to fly 240 million miles from earth and, along with fellow astronaut Neil Armstrong, be the first to walk on the moon. But moments before that historic step, Aldrin poured a specially prepared drink into a cup and partook of a sacred celebration that had first occurred two thousand years before. The lunar Last Supper was full of meaning, just as it had been when Jesus himself took of the elements and acknowledged his calling and purpose. But the significance didn't end there. Today, as we remember the sacrifice of Christ on the cross, followed by his resurrection, we are reminded that what seemed to be an end became the genesis of everything—including the rescue and restoration of anyone who calls on Jesus' name. In this five-session study, bestselling author and pastor Levi Lusko journeys back in time and forward in hope, using the 1969 lunar mission as an analogy of the metamorphosis that was unleashed by the man from Galilee. Along the way, he uncovers the remarkable "seven statements" that Jesus made from the cross—words that provide us everything we need in the chaos of our world to conquer judgment, persecution, anxiety, and pain. Designed for use with The Last Supper on the Moon Video Study (sold separately).
