Citing A Textbook In Apa

Basic book citation format. The APA in-text citation for a book includes the author's last name, the year, and (if relevant) a page number. In the reference list, start with the author's last name and initials, followed by the year. The book title is written in sentence case (only capitalize the first word and any proper nouns). Include any other contributors (e.g. editors and translators) and the edition if specified (e.g. "2nd ed.").

APA citation basics. When using APA format, follow the author-date method of in-text citation. This means that the author's last name and the year of publication for the source should appear in the text, like, for example, (Jones, 1998). One complete reference for each source should appear in the reference list at the end of the paper.
