In Crooked Heart, Noel Bostock, aged 10, is evacuated from London during World War II. The evacuations that took place in British cities at this time constitute the biggest and most concentrated mass movement of people in the country's history. Known as Operation Pied Piper, the planned evacuation began in September 1939.

#### Crooked Heart by Lissa Evans: Summary and reviews

The biggest problem I found with The Crooked Heart is wrapping my mind around the concept that Douglas Fairbanks, Jr. would ever need a lonely hearts club to meet women. That most elegant of stars is both a confidence man and a killer and he's set his sights on widow Rosalind Russell.

#### The Crooked Hearts (TV Movie 1972) - IMDb

Crooked Heart is a dark comedy, moving between drollery, pathos, farce and harrowing moments of tragic insight; it's also a grey comedy, situated among backstreet have-nots subsisting hand-to-mouth...

You shall love your crooked neighbour With your crooked heart.' It was late, late in the evening, The lovers they were gone; The clocks had ceased their chiming, And the deep river ran on.

#### As I Walked Out One Evening by W. H. Auden - Poems | poets.org

There's a strong bittersweet flavour to this story of a flawed, emotionally bruised pair of misfits: it's moving, but never sentimental or sugary in tone. The fact that Evans can make us love these characters, despite their concerted efforts to make themselves unlovable, is absolutely key to Crooked Heart's success.

I might have given Crooked Heart just three stars until Cristina Sumners, a clergy woman herself, has written a very readable murder mystery with a clergy woman protagonist. Episcopal priest Kathryn Koerney teams up with police chief Tom Holder when a woman disappears under suspicious circumstances in their small affluent New Jersey town.

Lissa Evans has written books for both adults and children, including Their Finest Hour and a Half, which was longlisted for the Orange Prize. Crooked Heart was also longlisted for the Baileys Women's Prize for Fiction (formerly known as the Orange Prize); it is her first novel to be published in the US. Evans lives in London with her family.

The acidly heartwarming tale of the relationship between a WW2 orphan evacuee and his foster mother, set against the backdrop of the Blitz. When ten-year-old orphan Noel Bostock is evacuated from London to escape the Blitz, he ends up living in St. Albans with Vera Sedge, who at thirty-six is drowning in debts and dependents. Always desperate for money, she's unscrupulous about how she gets it. Noel's mourning his godmother, Mattie, a former suffragette. Brought up to share her disdain for authority and eclectic approach to education, he has little in common with other children and even less with Vee, who hurtles impulsively from one self-made crisis to the next. The war's thrown up new opportunities for making money, but what Vee needs (and what she's never had) is a cool head and the ability to make a plan. On her own, she's a disaster. With Noel, she's a part of a team. Together they cook up an idea. Criss-crossing the bombed suburbs of London, Vee starts to make a profit and Noel begins to regain his interest in life. But there are plenty of other people making money out of the war, and some of them are dangerous. Noel may have been moved to safety, but he isn't actually safe at all.

Longlisted for the Baileys Women's Prize for Fiction, 2015 When Noel Bostock "aged ten, no family - is evacuated from London to escape the Blitz, he ends up living in St Albans with Vera Sedge - thirty-six and drowning in debts and dependents. But there are plenty of other people making money out of the war and some of them are dangerous. Noel may have been moved to safety, but he isn't actually safe at all.

With the same brilliant combination of humor and warmth that marked Operating Instructions and Bird by Bird, her two bestselling works of nonfiction, Anne Lamott now gives us an exuberant richly absorbing portrait of a family for whom the joys and sorrows of everyday life are magnified under the glare of the unexpected. The Fergusons make their home in a small California town where life is supposed to resemble paradise, but for thirteen-year-old Rosie (last seen in Lamott's beloved novel Rosie), reality is a bit harsher. Her mother, a recovering alcoholic, is still beset by grief over the early death of her first husband. Rosie's stepfather is a struggling writer plagued by doubts and hilarious paranoia. And Rosie, aching in the bloom of young womanhood and obsessed with tournament tennis, finds that her athletic gifts, initially a source of triumph, now place her in peril, as a shadowy man who stalks her from the bleachers seems to be developing an obsession of his own. Written with enormous emotional honesty, inhabited by superbly realized characters, riotously funny and wonderfully suspenseful, Crooked Little Heart is Anne Lamott writing at the height of her considerable powers.

NATIONAL BESTSELLER \* SIX STARRED REVIEWS \* #1 INDIE NEXT PICK \* A MOST ANTICIPATED BOOK OF THE YEAR (USA Today, BuzzFeed, Tor.com, PopSugar, Publishers Weekly, and more)! Secrets. Lies. Super-bad choices. Dangerous magic. . . . This is Our Crooked Hearts, a contemporary fantasy "so precise and enthralling that the only explanation is that Albert herself is a witch" (Booklist, starred review). On the way home from a party, seventeen-year-old Ivy and her soon-to-be ex nearly run over a nude young woman standing in the middle of a tree-lined road. It's only the first in a string of increasingly eerie events and offerings: a dead rabbit in the driveway, a bizarre concoction buried by her mother in the backyard, a box of childhood keepsakes hidden in her parents' closet safe. Most unsettling of all, corroded recollections of Ivy and her enigmatic mother's past resurface, with the help of the boy next door. What if there's more to Ivy's mother than meets the eye? And what if the supernatural forces she messed with during her own teen years have come back to haunt them both? Ivy

must grapple with these questions and more if she's going to escape the darkness closing in. Straddling Ivy's contemporary suburban town and her mother's magic-drenched 1990s Chicago, this bewitching and propulsive story rockets towards a conclusion guaranteed to keep readers up all night.

From acclaimed Canadian novelist Billie Livingston comes this powerful U.S. debut that unfolds over a riveting dual narrative—an unforgettable story of ordinary lives rocked by hardship and scandal that follows in the tradition of Jennifer Haigh, A. Manette Ansay, and Jennifer Egan. Ben wakes up in a hospital with a hole in his head he can't explain. What he can remember he'd rather forget. Like how he'd spend nights as a limo driver for the wealthy and debauched...how he and his wife, Maggie, drifted apart in the wake of an unspeakable tragedy...how his little brother, Cola, got in over his head with loan sharks circling. Maggie is alone. Again. With bills to pay and Ben in a psych ward, she must return to work. But who would hire her in the state she's in? And just as Maggie turns to her brother, Francis, the Internet explodes with video of his latest escapade. The headline? Drunk Priest Propositions Cops. Francis is an unlikely priest with a drinking problem and little interest in celibacy. A third DUI, a looming court date...When Maggie takes him in, he knows he may be down to his last chance. And his best shot at healing might lie in helping Maggie and Ben reconnect—against all odds. Simmering with dark humor and piercing insights, *The Crooked Heart of Mercy* is a startling reminder that redemption can be found in the most unlikely of places.

Two con artists team up in 1880s California for the score of a lifetime—but end up fighting for their lives instead. In a stagecoach en route to San Francisco, Grace Rousselot is posing as a nun to drum up “donations” from fellow travelers. Across from her, Reuben Jones is faking blindness to prey on unsuspecting travelers. Both grifters are surprised to learn that they have competition, and even more surprised when their stagecoach is ambushed and robbed, leaving them both flat broke. Not keen to discuss the robbery with the police, Reuben and Grace decide to work together to recoup some of their losses. Soon enough, what starts out as a practical partnership evolves into something more. And with the Chinese mafia hot on their heels, neither is sure just how far they can trust a man—or a woman—with a crooked heart.

Caught between two brothers, Louise—a tough, meditative Londoner—marries Paul and finds herself trapped in a family with the self-destructive, criminal younger brother Johnnie. Reprint.

In this witty, charming follow-up to the acclaimed *Crooked Heart*, the life of lies a small time scammer and her adopted son have constructed in London becomes endangered during the tumultuous final months of World War II. It's late 1944. Hitler's rockets are raining down on London with vicious regularity and it's the coldest winter in living memory. The Allies are gaining ground, but victory is certainly dragging its feet. In a large house next to Hampstead Heath, Vee Sedge is barely scraping by with a herd of lodgers to feed and her young charge Noel, almost fifteen now, to clothe and educate. When she witnesses an accident and finds herself in court, the repercussions are both unexpectedly marvelous and potentially disastrous. Because Vee is not actually the person she's pretending to be, and neither is Noel. Victory is coming. Yet the end of the war won't just mean peace, but discovery . . . With caustic wit and artful storytelling, Lissa Evans summons a time when the world could finally hope to emerge from the chaos of war. As witty as *Old Baggage* and poignant as *Crooked Heart*, *V for Victory* once again reveals Evans to be one of the most original and entertaining writers at work today.

#1 UK Bestseller “A thoughtful, funny, companionable novel...executed with verve.”—*London Times* The author of the acclaimed *Crooked Heart* returns with a comic, charming, and surprisingly timely portrait of a once pioneering suffragette trying to find her new passion in post-WWI era London. 1928. Riffing through a cupboard, Matilda Simpkin comes across a small wooden club—an old possession that she hasn't seen for more than a decade. Immediately, memories come flooding back to Mattie—memories of a thrilling past, which only further serve to remind her of her chafingly uneventful present. During the Women's Suffrage Campaign, she was a militant who was jailed five times and never missed an opportunity to return to the fray. Now in middle age, the closest she gets to the excitement of her old life is the occasional lecture on the legacy of the militant movement. After running into an old suffragette comrade who has committed herself to the wave of Fascism, Mattie realizes there is a new cause she needs to fight for and turns her focus to a new generation of women. Thus the Amazons are formed, a group created to give girls a place to not only exercise their bodies but their minds, and ignite in young women a much-needed interest in the world around them. But when a new girl joins the group, sending Mattie's past crashing into her present, every principle Mattie has ever stood for is threatened. *Old Baggage* is a funny and bittersweet portrait of a woman who has never given up the fight and the young women who are just discovering it.

"A brilliant mixture of story, philosophy, humor and wisdom, this book reminds us that---if we are open to story, dreams, imagination, and myth---we can open doors within our soul." --Jay O'Callahan, author, storyteller, and NPR commentator A lifetime collection of stories, wise words, assembled musings and quotations about overcoming hurdles, elusive enlightenment, personal evolution, persistence in the face of discouragement, this pastiche is designed to encourage the downhearted, lift up the strivers, and add wings to the heels of spiritual seekers.
