Dont Tell Mummy A True

"Don't tell Mummy", my memoir of my own childhood abuse, became a UK best seller in 2007. Writing about my experiences was hard emotionally, but in retrospect it has helped me deal with my past and realize that there is no shame in being the victim. It is never the child's fault, whatever the abuser makes them believe at the time.

4.0 out of 5 stars don't tell mummy. Reviewed in the United States on March 23, 2014. Verified Purchase. What a sad story. Just makes you sick when you read how a father treated his daughter and mom goes along with it. I know many children have suffered abuse of all kinds and shame on adults for letting that happen. Very good story, sad but true...
