Over two million VW Transporter T5s and Caravelles were sold between 2003, when the model was launched, and 2015, when it was replaced by the current T6. So it's fair to say, it's very popular. The Transporter, by the way, is the panel van version - available in short and long wheelbase forms - while the Caravelle is the people carrier.

This book is a very complete guide to converting a VW T5 from a van to a camper. It seems rather more geared toward those who are buying ready made units etc than those who are doing a scratch built conversion. It is very detailed though and covers everything well. Definitely handy to have if you are planning your own conversion.
