Man Booker Prize Finalist, LA Times Book Prize Finalist, New York Times Editor's Choice, and an American Booksellers Association National Indie Bestseller! Named a Best Book of 2016 by Newsweek, NPR, The Guardian, The Telegraph, and The Sunday Times! In the smash hit historical thriller that the New York Times Book Review calls "thought provoking fiction," a brutal triple murder in a remote Scottish farming community in 1869 leads to the arrest of seventeen-year-old Roderick Macrae. There is no question that Macrae committed this terrible act. What would lead such a shy and intelligent boy down this bloody path? And will he hang for his crime? Presented as a collection of documents discovered by the author, *His Bloody Project* opens with a series of police statements taken from the villagers of Culdie, Ross-shire. They offer conflicting impressions of the accused; one interviewee recalls Macrae as a gentle and quiet child, while another details him as evil and wicked. Chief among the papers is Roderick Macrae's own memoirs where he outlines the series of events leading up to the murder in eloquent and affectless prose. There follow medical reports, psychological evaluations, a courtroom transcript from the trial, and other documents that throw both Macrae's motive and his sanity into question. Graeme Macrae Burnet's multilayered narrative—centered around an unreliable narrator—will keep the reader guessing to the very end. *His Bloody Project* is a deeply imagined crime novel that is both thrilling and luridly entertaining from an exceptional new voice.

Shortlisted for the 2016 Man Booker Prize The year is 1869. After a brutal triple murder in a remote community in the Scottish Highlands, a young man by the name of Roderick Macrae is arrested for the crime. A memoir written by the accused makes it clear that he is guilty, but the police and the courts must decide what drove him to murder the local village constable. And why did he kill his other two victims? Was he insane? Or was this the act of a man in possession of his senses? Only the persuasive powers of his advocate stand between the killer and the gallows at Inverness. In this compelling and original novel, using the words of the accused, personal testimony, transcripts from the trial and newspaper reports, Graeme Macrae Burnet tells a moving story about the provisional nature of the truth, even when the facts are plain. *His Bloody Project* is a mesmerising literary thriller set in an unforgiving landscape where the rules can change but justice is absolute. Graeme Macrae Burnet was born and brought up in Kilmarnock and now lives in Glasgow, Scotland. In between, he lived in Prague, Bordeaux, Porto and London. His debut novel, *The Disappearance of Adèle Bedeau*, is a psychological crime thriller set in the small town of Saint-Louis on the French–Swiss border. His second book, *His Bloody Project*, which deals with a triple murder in a crofting village in the Scottish Highlands, has been shortlisted for the 2016 Man Booker Prize. 'A real box of tricks...a truly ingenious thriller.' Jake Kerridge, *Express* 'A gripping crime story, a deeply imagined historical novel, and gloriously written all in one tour-de-force of a book.' *Herald*, *Book of the Year* 'Maddeningly brilliant...An intriguing narrative that plays with notions of truth, justice and the historical record.' Hannah Kent, *Best Books of 2016*, *Australian* 'Accounts, witness reports, and a trial, all set down as in an authentic case, gradually reveal a truth that is chilling yet inevitable.' Jane Sullivan, *Australian Book Review*, *Books of the Year 2016* 'I also adored Graeme Macrae Burnet's maddeningly brilliant *His Bloody Project*, and found myself utterly absorbed in the 1869 case of Roderick Macrae, accused of murder in a Scottish highland community...A cunning and unreliable tale that still bloody nags at

me.' Hannah Kent, *The Books We Loved* 2016, *Sydney Morning Herald* 'A dark, unforgettable picture of the crofter's life in 19th-century Scotland.' James Button, *The Books We Loved* 2016, *Sydney Morning Herald* 'This is ultimately the book's great strength—its unwillingness to offer a definitive explanation for its protagonist's shocking deeds. After hinting at possible motives and offering a basis for a countervailing case of insanity, the book finally gestures towards the impossibility of knowing the forces at play in another person's mind.' *Law Institute Journal* 'Transporting and deliciously frustrating—I loved the way Burnet played with notions of doubt, criminality and justice.' Hannah Kent, 2016 *Staff Picks*, *Kill Your Darlings* 'A retelling of a gory triple murder that'll indulge your true crime craving.' *Elle* 'A remote crofting village in nineteenth-century Scotland, and a shocking and seemingly inexplicable act of murder by a teenage villager. Accounts, witness reports, and a trial, all set down as in an authentic case, gradually reveal a truth that is chilling yet inevitable: the power of a feudal system that supports petty tyrants, stereotypes its criminals, and grinds down its victims.' Jane Sullivan, *Best Books of 2016*, *Australian Book Review* 'A powerful novel...keeps the reader guessing to the end as it examines the legal process as it relates to the class divide of the time.' *Otago Daily Times* 'In exploring the duality of good and evil, Burnet is tapping into a rich seam of Scottish literature, from James Hogg's *The Private Memoirs and Confessions of a Justified Sinner*, to Stevenson's *The Strange Case of Dr Jekyll and Mr Hyde*...His *Bloody Project* also illustrates what fans know about crime writing: it's a great way to explore the depths of a society: the tensions that animate it, the structures and hierarchies that underpin it.' *Metro*

"A stylish, atmospheric mystery with a startling twist . . . satisfies like Simenon and surprises like Ruth Rendell. I can't give it any higher praise."--NPR  
Manfred Baumann is a loner. Socially awkward and perpetually ill at ease, he spends his evenings quietly drinking and surreptitiously observing Adèle Bedeau, the sullen but alluring waitress at a drab bistro in the unremarkable small French town of Saint-Louis. One day, she simply vanishes into thin air and Georges Gorski, a detective haunted by his failure to solve one of his first murder cases, is called in to investigate the girl's disappearance. He sets his sights on Manfred. As Manfred cowers beneath Gorski's watchful eye, the murderous secrets of his past begin to catch up with him and his carefully crafted veneer of normalcy falters. His booze-soaked unraveling carries him from Saint-Louis to the back alleys of Strasbourg. Graeme Macrae Burnet's masterful play on literary form featuring an unreliable narrator makes for a grimly entertaining psychological thriller that questions if it is possible, or even desirable, to know another man's mind.

The Accident on the A35 returns to the scene of Burnet's accomplished first novel, *The Disappearance of Adèle Bedeau*--the small French town of Saint-Louis. Detective Gorski is called away from his night of solitary drinking to the site of a car accident that left Bertrand Barthelme, a respected solicitor, dead. When the deceased's rather attractive wife suggests that the crash may not have been an accident, Gorski looks closer into Barthelme's circumspect movements on the night of his death. His investigation leads him to various bars, hotels, and brothels in the nearby city of Strasbourg. At the same time,

Barthelme's rebellious son, drunk on Jean Paul Sartre novels, is conducting an investigation of his own. Their independent, dual inquiries lead the reader down a twisted road marked by seedy back rooms, bar brawls, a moment of accidental incest, and--as we have come to expect from Burnet--copious amounts of wine. *The Accident on the A35* is a darkly humorous, subtle, and sophisticated novel that burrows into the psyches of its characters and explores the dark corners of life in a sleepy town.

"I have decided to write down everything that happens, because I feel, I suppose, I may be putting myself in danger." London, 1965. An unworldly young woman believes that a charismatic psychotherapist, Collins Braithwaite, has driven her sister to suicide. Intent on confirming her suspicions, she assumes a false identity and presents herself to him as a client, recording her experiences in a series of notebooks. But she soon finds herself drawn into a world in which she can no longer be certain of anything. Even her own character. In *Case Study*, Graeme Macrae Burnet presents these notebooks interspersed with his own biographical research into Collins Braithwaite. The result is a dazzling – and often wickedly humorous – meditation on the nature of sanity, identity and truth itself, by one of the most inventive novelists writing today.

From critically acclaimed author Steph Cha-Los Angeles-based P.I. Juniper Song is back in a thrillingly written, masterfully plotted story of how far a mother will go for her child Finally a licensed private detective, Steph Cha's "compelling and original" (LA Times) crime heroine Juniper Song is managing her own cases as the junior investigator of Lindley & Flores. When a woman named Rubina Gasparian approaches Song, she knows she's in for her most unusual case yet. The daughter of Armenian immigrants, Rubina and her husband Van recently learned that she cannot get pregnant-so they hired Rubina's younger cousin, Lusig, to act as a surrogate. However, Lusig's best friend Nora has been missing for a month, and Rubina is concerned that her cousin is dealing with her stress in a way that could harm the baby. Rubina hires Song to shadow her and report all that she finds. Of course, Lusig is frantically searching for her friend, and Song's case soon turns into a hunt for the missing woman, whom she finds was deeply embroiled in a public and ugly battle to erect an Armenian genocide memorial. As Song probes the depths of both this tight-knit immigrant community and the groups who antagonize it, she realizes that someone was willing to stop at nothing to ensure Nora's silence. But can she find the killer before it's too late for Rubina and Van's child-or for Song herself? A gorgeously written, tightly plotted, and emotionally charged read, *The Surrogate* is an unforgettable story of love, parenthood, and the things we do for our children, perfect for fans of Lisa Unger and Tana French.

\*2016 Edgar Award Finalist\* \*2016 Anthony Award Finalist\* \*2016 Macavity Award Finalist\* In 1970, Ross Macdonald wrote a letter to Eudora Welty, beginning a thirteen-year correspondence between fellow writers and kindred spirits. Though separated by background, geography, genre, and his marriage, the two authors shared their lives in witty, wry, tender, and at times profoundly romantic letters, each drawing on the other for inspiration, comfort, and strength. They brought their literary talents to bear on a wide range of topics, discussing each others' publications, the process of translating life into fiction, the nature of the writer's block each encountered, books they were reading, and friends and colleagues they cherished. They also discussed the world around them, the Vietnam War, the Nixon, Carter, and Reagan presidencies, and the environmental threats facing the nation. The letters reveal the impact each had on the other's work, and they show the personal support Welty provided when Alzheimer's destroyed Macdonald's ability to communicate and write. The editors of this collection, who are the definitive biographers of these two literary figures, have provided extensive commentary and an introduction. They also include Welty's story fragment "Henry," which addresses Macdonald's disease. With its mixture of correspondence and narrative, *Meanwhile There Are Letters* provides a singular reading experience: a prose portrait of two remarkable artists and one unforgettable relationship.
