Study Island Help

But, we know that sometimes you need more control over how many questions your students answer. That's why we built Study Island practice to be flexible, and give you options. Ask students to complete a topic multiple times: We know many of you choose to use simple oral instructions to help students get started in the right place. Working on more than 10 questions can be that easy too; simply instruct learners to continue practicing with a second launch of that topic (no need to worry ...
