Madame X was Virginie Amelie Avegno Gautreau, an American-born Louisiana expatriate who alternately enthralled and shocked Paris society of the time. Little is know about her except for the bare facts of when and where she was born and lived, whom she married, and what gossip columnists had to say about her.

This is a fictional treatment of Virginie Amelie Avegno Gautreau, the “Madame X” of John Singer Sargent’s famous portrait. It was published in 2003, just one year too soon to benefit from Strapless, the first book length biography of Madame Gautreau. The story begins on the family's plantation in Louisiana.

Diliberto tells Virginie's story, drawing on the sketchy facts of Virginie's life to re-create her tempestuous personality and the captivating milieu of nineteenth-century Paris. Born in New Orleans to two of Louisiana's prominent Creole families and raised at Parlange, her grandmother's lush plantation, Virginie fled to France with her mother and sister during the Civil War. The family settled in Paris among other expatriate Southerners and hoped, through their French ancestry, to insinuate themselves into high society. They soon were absorbed into the fascinating and wealthy world of grand ballrooms, dressmakers' salons, luxurious country estates, and artists' ateliers. Because of Virginie's striking appearance and vivid character, her mother pinned the family's hopes for social acceptance on her daughter, who became a "professional beauty" and married a French banker. Even before Sargent painted her

portrait, Virginie's reputation for promiscuity and showy self-display made her the subject of vicious Paris gossip. *I Am Madame X* is a compulsively readable immersion in Belle Epoque Paris. It is also the story of a great work of art, illuminating the struggle between Virginie and Sargent as they fought to control the outcome of a painting that changed their lives and affected the course of art history.

Shares the story behind the creation of John Singer Sargent's famous painting, which propelled the artist into international renown but condemned his young subject, Virginie Gautreau of New Orleans, to a lifetime of public ridicule and self-loathing due to the work's perceived sexuality. Reprint. 17,500 first printing.

“A bittersweet modern love story [that] reads as easily as a novel.”  
—Vogue  
Hemingway’s creative influences for novels like *The Sun Also Rises*, *A Farewell to Arms*, and *The Old Man and the Sea* came not only from his famous hunting trips, his liaisons in Cuba, or his relationships with Gertrude Stein, F. Scott Fitzgerald, James Joyce and other Lost Generation writers. During Hemingway’s period of greatest literary foment, his most seminal relationship was with Hadley Richardson, his first wife. In *Paris Without End*, acclaimed author Gioia Diliberto, biographer of Jane Addams and Brenda Frazier, delivers a gripping, novelistic exploration of Hadley’s personality and her role in Hemingway’s life, finally unclouding our view of Hemingway’s relationship with the one woman he never stopped loving.

A tale based on the highly competitive world of Coco Chanel follows the experiences of 1920s orphan Isabelle Varlet, who in early adulthood recovers from the death of her fiancé by developing her seamstress talents and struggling through the cutthroat world of high fashion. By the author of *I Am Madame X*. Reprint. 40,000 first printing.

Documents the early life of Jane Addams, the founder of Hull House and a Nobel Peace Prize-winner, discusses her mental health, and her place in history

Gustav Klimt, one of the great painters of fin de siècle Austria—and the subject of Helen Mirren's latest film, *Woman in Gold*—takes center stage in this passionate and atmospheric debut novel, which

## Read Book I Am Madame X Gioia Diliberto

reimagines the tumultuous relationship between the Viennese painter and Emilie Flöge, the woman who posed for his masterpiece *The Kiss*, and whose name he uttered with his dying breath. Vienna in 1886 was a city of elegant cafés, grand opera houses, and a thriving and adventurous artistic community. It is here where the twelve-year-old Emilie meets the controversial libertine and painter. Hired by her bourgeois father for basic drawing lessons, Klimt introduces Emilie to a subculture of dissolute artists, wanton models, and decadent patrons that both terrifies and inspires her. *The Painted Kiss* follows Emilie as she blossoms from a naïve young girl to one of Europe's most exclusive couturiers—and Klimt's most beloved model and mistress. A provocative love story that brings to life Vienna's cultural milieu, *The Painted Kiss* is as compelling as a work by Klimt himself.
