Measure Your Space. Before you buy, measure the height, width and depth of your cutout space. Add 2" of depth to accommodate the door handle. Measure the size of the doorways, hallways and other points of entry in your home to ensure your new range will be able to pass through. Add 1" to both sides for air circulation.

Prior to actual installation, thoroughly familiarize yourself with this Instruction Manual. Pay special attention to all safety warnings. Often during installation or repair it is possible to place yourself in a position which is more hazardous than when the unit is in operation. Remember, it is your responsibility to install the product
