Therapy for Extremities Part

1

Integrative manual therapy (IMT) is a form of bodywork employed to diagnose and treat dysfunction of the body's various systems and restore whole health. As the name implies, it is an integrative therapy model based on the concept that these systems are interdependent and related.

What is Integrative Manual Therapy? (with pictures)

Integrative Manual Therapy (IMT) is a long-awaited and proven technique which enhances traditional physical therapy by integrating one's entire
