The Threepenny Opera: Barbara Song

Kurt Weill The Threepenny Opera

The Threepenny Opera (Die Dreigroschenoper) is a "play with music" by Bertolt Brecht, adapted from a translation by Elisabeth Hauptmann of John Gay's 18th-century English ballad opera, The Beggar's Opera, and four ballads by François Villon, with music by Kurt Weill. Although there is debate as to how much, if any, Hauptmann might have contributed to the text, Brecht is usually listed as sole ...

for anyone sucked into dog-eat-dog Soho, a metaphor for Berlin between the wars), fascinates and disturbs. The overall effect is of a chamber piece, played with controlled vigour rather than the rasping attack of some modern interpretations.

### Weill: Der Dreigroschenoper (The Threepenny Opera): Amazon ...

The Threepenny Opera proclaims itself "an opera for beggars," and it was in fact an attempt both to satirize traditional opera and operetta and to create a new kind of musical theater based on the theories of two young German artists, composer Kurt Weill and poet-playwright Bert Brecht. The show opens with a mock-Baroque overture, a nod to Threepenny's source, The Beggar's Opera, a ...

3, 1950) was a German composer, active from the 1920s in his native country, and in his later years in the United States. He was a leading composer for the stage who was best known for his fruitful collaborations with Bertolt Brecht. With Brecht, he developed productions such as his best-known work The Threepenny Opera, which included the ballad "Mack ...

Die Dreigroschenoper, Kurt Weill and Bertolt Brecht 's radical reinterpretation of John Gay 's eighteenth century operetta The Beggar's Opera, was a sensation in Europe after its German premiere in 1928. But the show, with its decadent portrait of the underworld, was less appealing to Americans when it appeared as The Threepenny Opera on Broadway in 1933 and became a quick flop.

[Weill, Kurt: Books](#)

This German-language studio cast recording of The Threepenny Opera, made in Frankfurt in 1999 with the Ensemble Modern conducted by HK Gruber, reflects the newly published official Kurt Weill Edition prepared by Stephen Hinton and Edward Harsh for the Weill estate. As Hinton makes clear in his liner notes, the work has existed in various versions since its premiere in Berlin in 1928, and this one doesn't so much resolve the conflicts as elucidate them.

"The three penny opera" is perhaps the  
best known of the operas of Kurt Weill;  
soloists and conductors show with  
supreme loftiness and unsurpassed  
crudeness. A fabulous album in which you  
will be involved since the first second of  
this spelling sound, filled of a poetic  
bitterness and vast silence of ontological
