Left Brain, Right Brain: Perspectives From Cognitive ...

We find in "Left Brain, Right Brain" the same tone and the same level of science writing. And like for a magazine article, it is all about a single topic: brain lateralization. Even though the book is written in a very clear language it could still pose a challenge for the lay reader. For the jargon is a bit technical at times.

Left Brain, Right Brain: Perspectives from Cognitive ...

Popular culture has taken to heart the idea that the right-brain is artistic and emotional and the left brain is logical and verbal. This simplified view has led to an almost pathological avoidance of any discussion on the differences between the
