Governor Andrew M. Cuomo today announced new guidelines allowing out-of-state travelers to New York to "test out" of the mandatory 14-day quarantine. Travelers from states that are contiguous with New York will continue to be exempt from the travel advisory; however, covered travelers must continue to fill out the Traveler Health Form. Essential workers will continue to be exempt as well.

Governor Cuomo Announces New Guidelines Allowing Out-of-...

In 2012, the Grade 3 English Language Arts Test sessions will not feature separately timed segments. The tests are to be administered under standard conditions, and directions are to be followed carefully. The same test administration procedures must be used with all students so that valid inferences can be drawn from the test results.

New York " Micro-Cluster " Strategy October 21, 2020 Executive Summary Since the onset of the COVID crisis, New York State has relied on data and metrics, science, and public health expertise to make all decisions regarding economic closings and openings, and other measures warranted to protect the public from COVID.

New York " Micro-Cluster " Strategy October 21, 2020

New York has worked hard to scale up testing at rates higher than any state or country in the world. Hospitalization rates are important, but testing identifies the full rate of spread. Regions can watch that rate move, and adjust their reopening strategies as needed. Widespread testing is also key to effective contact tracing.
