The only true and unedited telling of the life of Christ—his life and times, in historical context, but not lacking the psychology behind his physical being and spirit. Unlike other books seeking to strip Jesus' story to reveal only the human being, Romano Guardini's *The Lord* gives the complete story of Jesus Christ—as man, Holy Ghost, and Creator. Pope Benedict XVI lauds Guardini's work as providing a full understanding of the Son of God, away from the prejudice that rationality engenders. Put long-held myths aside and discover the entire truth about God's only begotten Son.

One Perfect Lie is an emotional thriller and a suburban crime story that will keep you guessing until you turn the very last page. On the surface, it tells the tale of the struggling single mother of a high-school pitcher, a shy kid so athletically talented that he's being recruited for a full-ride scholarship to a Division I college, with a future in major-league baseball. But the mother fears that she's losing her grip on her son because he's being lured down a darker path by one of his teammates, a secretly disturbed young man from an affluent family, whose excellent grades and fun-loving manner conceal his violent criminal plans. Add a handsome stranger who comes to town and infiltrates the high school, posing as a teacher but with a hidden agenda all his own. The mix becomes combustible when a beloved faculty member turns up dead as a suicide, in circumstances equally consistent with murder. Only then is the true identity of the fake teacher revealed, and the single mother finds herself engaged in a battle for the future, the soul, and the very life of her only son. *One Perfect Lie* is a riveting and suspenseful family drama, and by the time you close the book, you will realize that nothing was as it seemed at the beginning.

Jesus Christ did not die on the cross so you and I could have a nice day. Ministers and teachers who water down the gospel of Christ in order to make it more popular and appealing may be leading their fun-loving audiences down the road to eternal punishment. This book is John MacArthur's unflinching, unapologetic treatise on the modern tendency to alter the true message of Christianity in order to meet the whims and desires of a culture hoping for nonconfrontational messages, easy answers, and superficial commitments. Too many people just want a Madison Avenue Jesus to make them well, make them happy, and make them prosperous. But Jesus Christ isn't a personal genie. He is the Savior. He died in agony to satisfy the wrath of a holy God and to forgive the sins of humankind. Faith in Him demands a willingness to make any sacrifice He asks. The hard truth about Christianity is that the cost is high, but the rewards are priceless: abundant and eternal life that comes only from faithfully following Christ.

NEW YORK TIMES BESTSELLER □ Part love story, part workplace drama, this sharply observed novel is a witty critique of the false judgments we make in a social-media-obsessed world. "Sophie Kinsella keeps her finger on the cultural pulse, while leaving me giddy with laughter. I loved it."—Jojo Moyes Everywhere Katie Brenner looks, someone else is living the life she longs for, particularly her boss, Demeter Farlowe. Demeter is brilliant and creative, lives with her perfect family in a posh townhouse, and wears the coolest clothes. Katie's life, meanwhile, is a daily struggle—from her dismal rental to her oddball flatmates to the tense office politics she's trying to negotiate. No wonder Katie takes refuge in not-quite-true Instagram posts, especially as she's desperate to make her dad proud. Then, just as she's finding her feet—not to mention a possible new romance—the worst happens. Demeter fires Katie. Shattered but determined to stay positive, Katie retreats to her family's farm in Somerset to help them set up a vacation business. London has never seemed so far away—until Demeter unexpectedly turns up as a guest. Secrets are spilled and relationships rejiggered, and as the stakes for Katie's future get higher, she must question her own assumptions about what makes for a truly meaningful life. Sophie Kinsella is celebrated for her vibrant, relatable characters and her great storytelling gifts. Now she returns with all of the wit, warmth, and wisdom that are the hallmarks of her bestsellers to spin this fresh, modern story about presenting the perfect life when the reality is far from the truth.

What is the essence of the gospel as Jesus Himself proclaimed it? How people answer that question is crucial to their understanding of what it means to be a Christian. Only Jesus explores what the Bible says about who Jesus is, what is saving grace, and what it means for Jesus to be both Savior and Lord of a person's life. Based on his classic bestseller, *The Gospel According to Jesus*, John MacArthur answers the age-old question: What did Jesus mean when He said, "Follow me"? In *Only Jesus*, author and teacher John MacArthur makes it clear that the gospel Jesus preached was a call to self-denial, radical changes, and serving Him. Difficult demands? Impossible in human terms? Yes, but attainable when we understand that the gospel is a call to faith, and genuine faith produces a heart that voluntarily responds to the ever-awakening reality of Christ's lordship. Only Jesus examines the gospel that Jesus himself preached—with an eye toward gaining a thorough and proper understanding of the true way of salvation. He is the only One to whom we must turn for words of eternal life. This book is compulsory reading for Christians who want a deeper relationship with Jesus Christ and seekers who want to know who Jesus is and what he taught.

A pastor and teacher unravels the intricacies of the event that changed the face of human history: the birth of Christ. As he examines every angel of Christ's birth, the superiority and preeminence of Christ can shine through and speak volumes about creation, redemption, and divine destiny.

Over six thousand years ago in the regions of the third heaven, a Triune council of the Holies, the Father, Son and Holy Spirit, brought about the creation of heaven and earth and all that was created in the six days as we have record of written in the Word of God. In the likeness of the Triune God was man created, being formed from the dust of the ground. God breathed into his nostrils the breath of life and man became a living soul. God planted a garden eastward in Eden and there he put the man whom he had formed. I have not the pen or vocabulary to describe the pristine beauty that this garden entailed prior to the first footprint impressed upon this sacred garden. Then God said, "It is not good that man should be alone", and He made a help meet for him, so the first parents perfect environment of no sin, no decay, a paradise for eyes to behold. But alas, sin entered and Adam and Eve were put out of the garden and we have the fall of mankind, the fall of no hope. It had become certain that death would reign and only the Triune God had made plans for the redemption of mankind, all knowing that man would sin and fall victim to sin and that redemption plan was already decided beforehand in the regions of the third heaven long before man was created. The redemption plan was provided to come into the world as the Son of God, the hypostatic union, meaning Christ's humanity and divinity in one hypostasis, or individual existence, being born by a miraculous entry into the world. We will never understand how God and man could unite in one person. The deep things and mysteries of God are far beyond our horizon. Although He was in the likeness of men, that refers to the human nature. He was sinless and He appeared as man in looks and dress but was unlike the natural man in that sin was not an integral part in his unfallen human nature. He had to become man in order to die on the cross for you and me. But He did not diminish the Person. The two natures in Christ are not fused together, they remain distinct and different. Let me say He did not give up Deity or the use of His attributes of Deity. Read Isaiah 53:12. He poured out His soul unto death. None of Christ's divine attributes were relinquished. However, He obscured His majestic glory while embodied by the earthly body. Recorded in the four Gospels is what we have of the life of Christ on this earth. There is no complete biography that could ever be written of the life of Christ on the earth because there are so many details not given. The four Gospels give its own emphasis of how they described the works and life of Christ. The false teachings of cults and critics and evolutionary of man becoming gods is not what our Bible says; it is opposite the false teachings. The Bible says God became man, who was Jesus Christ, both man and God.
