### Skull Master Shadow Detective Book

William Massa has done it again - created a story that keeps you on the edge of your seat. Following on from his adventures in Book 4, Mike Raven is, once again, tracking down forces of evil, whilst trying to keep his sanity. Another superb tale in the Shadow Detective series. Can't recommend this highly enough.

### Skull Master (Shadow Detective Book 5) eBook: Massa ...

Skull Master is an action-packed book written by William Massa. The author developed an interesting plot that followed a good pace. The pace was more on the faster side and definitely never felt like it was dragging out. The plot is imaginative and interesting and there are a couple of twists in there that I didn't see coming.

Ghoul Night (Shadow Detective Book 6) eBook: Massa ...

My name is Mike Raven, but the world knows me as the Shadow Detective. Orphaned by demons at the age of ten, I have dedicated my life to keeping the world safe from nightmares. Trained by one of the greatest monster hunters who ever lived, and armed with an arsenal of mystical weapons, I battle forces beyond human understanding.

My name is Mike Raven. I hunt nightmares. Demons murdered my parents when I was eight. Turns out my folks were paranormal investigators and Hell always settles its scores. Naturally I decided to join the family business. For two decades I've studied the occult and traveled the world fighting monsters. Vampires. Shifters. Demons. Ghosts. I've faced them all. But my

biggest challenge lay ahead... From the moment Celeste stepped into my office, I knew she was in trouble. Black magic trouble. Her father had promised her soul to a powerful demon on the day she was born. Now, twenty-one years later, the forces of darkness were gathering to collect their long-awaited prize. Guess who's about to pick a fight with the Devil himself...

In a land riven with plague, inside the infamous Walled City, two families vie for control: the Medicis with their genius inventor Leonardo; the Lorraines with Galileo, the most brilliant alchemist of his generation. And when two star-crossed lovers, one from either house, threaten the status quo, a third, shadowy power — one that forever seems a step ahead of all of the familial warring — plots and schemes, and bides its time, ready for the moment to attack... Assassination; ancient, impossible machines; torture and infamy — just another typical day in paradise. File Under: Fantasy [ Wherefore Art Thou | Fathers of Invention | Unexpected Journeys | Secrets & Lies ]

Mr. Elives's magic shop is back, and this time it is on the other side of Tucker's Swamp. And Tucker's Swamp is where Charlie Eggleston heads to escape a beating-for lying. Charlie can't seem to keep from lying, though sometimes his lies are for a good cause. When Charlie stumbles into Mr. Elives's magic shop, his eyes light upon The Skull. Charlie steals The Skull and it puts him under some sort of spell—he can only tell the truth. Trouble is, now no one believes him. . . .

Provides an introduction to American pulp fiction during the twentieth century with brief author biographies and lists of their works.

Celebrating the legacy of the Dark Knight, DETECTIVE COMICS: 80 YEARS OF BATMAN follows the best-selling ACTION COMICS: 80 YEARS OF SUPERMAN. Curated by guest editor Paul Levitz, it features reprints of the Dark Knight's most memorable adventures, from his first appearance to the debuts of Robin, Batwoman, Bat-Mite and Batgirl, as well as villains including Two-Face, the Riddler, Clayface, Man-Bat and more. This hardcover also spotlights crime-fighters including Slam Bradley, Air Wave, the Boy Commandos, the Martian Manhunter and the 1970s Manhunter, Paul Kirk! And, published for the first time anywhere: a new tale of a traumatic early moment in Bruce Wayne's life written by Paul Levitz with art by Denys Cowan and Bill Sienkiewicz, and an extraordinary look at a long-ago work in progress—the original layouts for the Batman tale from DETECTIVE COMICS #200, as illustrated by Lew Sayre Schwartz (and signed "Bob Kane"). As if that's not enough, this volume includes essays on Batman from contributors including Cory Doctorow, Neil Gaiman, Glen David Gold, Dennis O'Neil, former San Diego police chief Shelley Zimmerman and pulp historian Anthony Tollin.

In this hyperkinetic and relentlessly inventive novel, Japan's most popular (and controversial) fiction writer hurtles into the consciousness of the West. Hard-Boiled Wonderland and the End of the World draws readers into a narrative particle accelerator in which a split-brained data processor, a deranged scientist, his shockingly undemure granddaughter, Lauren Bacall, Bob Dylan, and various thugs, librarians, and subterranean monsters collide to dazzling effect. What emerges is simultaneously cooler than zero and unaffectedly affecting, a hilariously funny and deeply serious meditation on the nature and uses of the mind. From the Trade Paperback edition.

Invited to protect an actress within the rose red walls of a fairy-tale castle, Detective Cordelia

Gray finds the stage is set for death. Actress Clarissa Lisle has always been famous for her ravishing beauty—and her unscrupulous manipulations. Now on the death-shrouded island of Courcy, her schemes win her a starring role in a nightmare in which she can trust no one—not her deceived husband; her dangerously insecure stepson; her ominously genial host; her dependent, desperate cousin; or her cruelly amusing ex-lover. Soon Detective Cordelia Gray finds that nothing is as it seems on Courcy—especially after the curtain goes down. Here she must delve into ancient secrets and guilt-stained pasts—and risk her life to stop a brilliantly cunning murderer who has set the stage for her death.

“Anybody But Anne” is the fifth in the “Fleming Stone” series of detective novels by prolific author Carolyn Wells. Wealthy David Van Wyck has decided to become a philanthropist and leave his entire vast fortune to the local community. Whilst a noble intention, his family are opposed to the notion as it would leave them penniless. Following a meeting to certify his intentions, David is found dead in a locked room. His beautiful wife Anne is the obvious suspect, but there are many others who would have reason to want David out of the picture. A thrilling whodunnit from the popular author. Carolyn Wells (1862-1942) was a prolific American novelist and poet, best known for her children’s literature, mystery novels and humorous verse. Following school in New Jersey, Wells worked as a librarian, where she developed her love of reading. It was during 1896 that Wells' first book “At the Sign of the Sphinx” was published. From 1900 she dedicated herself to her literary career, writing over 170 novels in total across a range of genres. Some of her most loved works include the “Patty Fairfield” and “Marjorie Maynard” series for girls, as well as the “Fleming Stone” mystery series for adults. Wells is also well-known for her humorous nonsense verse, and was a frequent contributor of verse to magazines. She published an autobiography “The Rest of my Life” in 1937. Wells died in New York City in 1942.
