Awakening in a bleak landscape, Cass Dollar vaguely recalls enduring something terrible. Having no idea how many days□or weeks□have passed, she slowly realizes the horrifying truth: her daughter, Ruthie, has vanished. And with her, nearly all of civilization. Instead of winding through the once-lush hills, the roads today see only cannibalistic Beaters□people turned hungry for human flesh by a government experiment gone wrong. In a broken, barren California, Cass will undergo a harrowing quest to get Ruthie back. Few people trust an outsider□much less one who bears the telltale scars of a Beater attack□but she finds safety with an enigmatic outlaw, Smoke. And she'll need him more than ever when his ragged band of survivors learn that she and Ruthie have become the most feared, and desired, weapons in a brave new world□.

"Many of your goals and plans have reached a climactic point and yet with the success is increased responsibility. This year is all about getting what you want and finding that it is only just the start, not the end. This is a year when seeds sown in the past 7-14 years begin to bear fruit and have an effect on your life. The chickens are coming home to roost and it is also a time of karmic reward. As you look back you will feel pleased at the progress you have made and excited about the stage you have now reached. In other aspects of life you may face the fact that some things have not worked out as planned and need finishing off and consigning to the past. It is a time of completion of a cycle and where a new cycle can begin - the wonderful thing is that however you feel about where your life is at the moment (good, bad or average) you are about to start a major new phase of professional and personal development where you can begin right now to sow new seeds and start getting excited about what you can create for yourself."

If you've ever been intrigued by the tarot but were confounded by the complexities of multi-card spreads and the vague interpretations given in most books, this is the guide for you. Here is a real breakthrough in interpreting the tarot! With Tarot Made Easy you can easily interpret the meaning of any card and apply it to the particular circumstances of your life. With the simple process outlined here, you need only choose one tarot card and then consult one (or several) of the 32 categories listed under each card -- including Romance, Travel, Career, Finances, Friends, and Special Guidance -- to discover the card's specific message for you. For example, if you want to know about your romantic future and the Queen of Cups turns up, you may find that the standard description given is "an honest, devoted woman; loving intelligence and happiness." How should you interpret this? But with Tarot Made Easy, the Queen of Cups Romance category tells you that "someone will enter your life in whom you will be very

interested...and you will meet this person very close to your home, if not outside your front door." This easy but accurate system banishes the vague interpretations found in most books and gives you the immediate, specific insights you need.
