"Remarkable, not-to-be-missed-under-any-circumstances."—Entertainment Weekly (Grade A) The Passage meets Ender's Game in an epic new series from award-winning author Rick Yancey. After the 1st wave, only darkness remains. After the 2nd, only the lucky escape. And after the 3rd, only the unlucky survive. After the 4th wave, only one rule applies: trust no one. Now, it's the dawn of the 5th wave, and on a lonely stretch of highway, Cassie runs from Them. The beings who only look human, who roam the countryside killing anyone they see. Who have scattered Earth's last survivors. To stay alone is to stay alive, Cassie believes, until she meets Evan Walker. Beguiling and mysterious, Evan Walker may be Cassie's only hope for rescuing her brother--or even saving herself. But Cassie must choose: between trust and despair, between defiance and surrender, between life and death. To give up or to get up. "Wildly entertaining . . . I couldn't turn the pages fast enough."—Justin Cronin, The New York Times Book Review "A modern sci-fi masterpiece . . . should do for aliens what Twilight did for vampires."—USAToday.com

Free exclusive preview of The 5th Wave. The Passage meets The Hunger Games in this gripping new series from Carnegie-shortlisted Rick Yancey. After the 1st wave, only darkness remains. After the 2nd, only the lucky escape. And after the 3rd, only the unlucky survive. After the 4th wave, only one rule applies: trust no one. Now, it's the dawn of the 5th wave. On a lonely stretch of highway, Cassie runs from Them. The beings who only look human, who roam the countryside killing anyone they see. Who have scattered Earth's last survivors. To stay alone is to stay alive, until Cassie meets Evan Walker. Beguiling and mysterious, Evan may be her only hope for rescuing her brother and even saving herself. Now Cassie must choose: between trust and despair, between defiance and surrender, between life and death. To give up or to get up. Cassie Sullivan gets up. Begin Cassie's journey with free sample chapters from The Fifth Wave www.The5thWaveIsComing.com About the author: Rick Yancey (www.rickyancey.com) is the author of several adult novels and the memoir Confessions of a Tax Collector. His first young-adult novel, The Extraordinary Adventures of Alfred Kropp, was a finalist for the Carnegie Medal. In 2010, his novel, The Monstrumologist, received Michael L. Printz Honor, and the sequel, The Curse of the Wendigo, was a finalist for the Los Angeles Times Book Prize. Praise for The 5th Wave: 'This is DAMN and WOW territory. Quite simply, one of the best books I've read in years.' Melissa Marr, New York Times bestselling author. 'Breathtakingly fast-paced and original, The 5th Wave is a reading tsunami that grabs hold and won't let go.' Melissa De La Cruz, New York Times bestselling author of the Blue Bloods series. 'An epic sci-fi adventure about a terrifying alien invasion. You'll read it in one sitting' Bookseller 'Yancey's heartfelt, violent, paranoid epic, filled with big heroics and bigger surprises, is part War of the Worlds, part Starship Troopers, part Invasion of the Body Snatchers, and part The Stand . . . a sure thing for reviewers and readers alike.' Booklist (starred review) 'A gripping SF trilogy about an Earth decimated by an alien invasion... the question of what it means to be human is at the forefront' Publishers Weekly

Tells the story of a high school history class experiment that frighteningly demonstrated the power of fascism.

The riveting follow-up to the New York Times bestselling The 5th Wave, hailed by Justin Cronin as "wildly entertaining." How do you rid the Earth of seven billion humans? Rid the humans of their humanity. Surviving the first four waves was nearly impossible. Now Cassie Sullivan finds herself in a new world, a world in which the fundamental trust that binds us together is gone. As the 5th Wave rolls across the landscape, Cassie, Ben, and Ringer are forced to confront the Others' ultimate goal: the extermination of the human race. Cassie and her friends haven't seen the depths to which the Others

will sink, nor have the Others seen the heights to which humanity will rise, in the ultimate battle between life and death, hope and despair, love and hate. Praise for The 5th Wave "Just read it."—Entertainment Weekly "A modern sci-fi masterpiece."—USA Today "Wildly entertaining . . . I couldn't turn the pages fast enough."—Justin Cronin, The New York Times Book Review "Nothing short of amazing."—Kirkus Reviews (starred review) "Gripping!"—Publishers Weekly (starred review) "Everyone I trust is telling me to read this book."—The Atlantic Wire

The highly-anticipated finale to the New York Times bestselling 5th Wave series. The enemy is Other. The enemy is us. They're down here, they're up there, they're nowhere. They want the Earth, they want us to have it. They came to wipe us out, they came to save us. But beneath these riddles lies one truth: Cassie has been betrayed. So has Ringer. Zombie. Nugget. And all 7.5 billion people who used to live on our planet. Betrayed first by the Others, and now by ourselves. In these last days, Earth's remaining survivors will need to decide what's more important: saving themselves . . . or saving what makes us human. Praise for The Last Star "Yancey's prose remains achingly precise, and this grows heavier, tighter, and more impossible to put down as the clock runs out...this blistering finale proves the truth of the first two volumes: it was never about the aliens."--Booklist, starred review "A haunting, unforgettable finale."--Kirkus Reviews "Yancey doesn't hit the breaks for one moment, and the action is intense, but the language always stays lyrical and lovely. It's a satisfying end to an impressive trilogy, true to the characters and the world Yancey created."--Entertainment Weekly "Yancey has capped off his riveting series with a perfect ending."--TeenReads.com "The ending provides both satisfaction and heartbreak."--Publishers Weekly "Yancey's writing is just as solid and descriptive as in the first two books...What Yancey does beautifully is reveal the human condition."--Examiner.com "Rick Yancey sticks the (alien) landing in the action-packed finale to his The 5th Wave invasion saga . . . And the author gives us a major dose of girl power as well, pairing Cassie and Ringer for an uneasy alliance that provides the best moments in this fantastic series' thought-provoking and satisfying conclusion."--USA Today Praise for The 5th Wave Now a major motion picture starring Chlo Grace Moretz "Remarkable, not-to-be-missed-under-any-circumstances."--Entertainment Weekly "A modern sci-fi masterpiece . . ."--USAToday.com "Wildly entertaining . . . I couldn't turn the pages fast enough."--Justin Cronin, The New York Times Book Review Praise for The Infinite Sea "Heart-pounding pacing, lyrical prose and mind-bending twists . . ."--The New York Times Book Review "Impressively improves on the excellent beginning of the trilogy."--USA Today "An epic sci-fi novel with all the romance, action, and suspense you could ever want."--Seventeen.com Books in the series: The 5th Wave (The First Book of The 5th Wave) The Infinite Sea (The Second Book of The 5th Wave) The Last Star (The Third Book of the The 5th Wave)

The Worst Vacation Ever! Thirteen-year-old Kyle thought spending a vacation on the Oregon coast with his family would be great. He'd never flown before, and he'd never seen the Pacific Ocean. One evening Kyle is left in charge of his younger sister, BeeBee, while his parents attend an adults-only Salesman of the Year dinner on an elegant yacht. Then the earthquake comes -- starting a fire in their hotel! As Kyle and BeeBee fight their way out through smoke and flame, Kyle remembers the sign at the beach that said after an earthquake everyone should go uphill and inland, as far from the ocean as possible. Giant tsunami waves -- three or four stories high can ride in from the sea and engulf anyone who doesn't escape fast enough. Kyle and BeeBee flee uphill as a tsunami crashes over the beach, the hotel, and the town. The giant wave charges straight up the hillside and through the woods where the children are running for their lives. The perfect vacation has become a nightmare! Somehow Kyle and BeeBee have to outwit nature's fury and save themselves from tsunami terror.

Alfred Kropp was just trying to survive high school when his guardian uncle gets him roped into a suspicious get-rich-quick scheme that changes his life forever: stealing Excalibur - the legendary sword of King Arthur. But after Alfred unwittingly delivers the sword into the hands of the enemy, he sets off on an unlikely quest to try to right his wrong and save the world from imminent destruction. This gripping, fast-paced, and often hilarious novel is both a thrilling adventure story and an engaging account of one boy's coming of age.

A monster-hunting doctor and his apprentice face off against a plague of monsters in the first book of a terrifying series. Publishers Weekly says "horror lovers will be rapt." These are the secrets I have kept. So starts the diary of Will Henry, orphan and assistant to a doctor with a most unusual specialty: monster hunting. In the short time he has lived with the doctor in nineteenth-century New England, Will has grown accustomed to his late-night callers and dangerous business. But when one visitor comes with the body of a young girl and the monster that was eating her, Will's world changes forever. The doctor has discovered a baby Anthropophagus—a headless monster that feeds through a mouth in its chest—and it signals a growing number of Anthropophagi. Will and the doctor must face the horror threatening to overtake and consume the world...before it is too late. The Monstrumologist is the first stunning gothic adventure in a series that combines the terror of HP Lovecraft with the spirit of Arthur Conan Doyle.

When Dr. Warthrop begins to doubt fourteen-year-old Will Henry's loyalty, he sets him against one of the most horrific creatures in the Monstrumarium unaware that Will's life and his own fate will lie in the balance.

Flesh-eating danger abounds in the chilling sequel to The Monstrumologist that is "as fast-paced, elegant, and yes, gruesome as its predecessor" (Publishers Weekly, starred review). While Dr. Warthrop is attempting to disprove that Homo vampiris, the vampire, could exist, his former fiancée asks him to

save her husband, who has been captured by a Wendigo—a creature that starves even as it gorges itself on human flesh. Although Dr. Warthrop considers the Wendigo to be fictitious, he relents and performs the rescue—but is he right to doubt the Wendigo's existence? Can the doctor and Will Henry hunt down the ultimate predator, who, like the legendary vampire, is neither living nor dead, and whose hunger for human flesh is never satisfied? This second book in The Monstrumologist series explores the line between myth and reality, love and hate, genius and madness.
