with extraordinary magical gifts. Adopted by the Magicians' Guild, her life is changed forever - but for better or for worse? Sonea knew that she'd face a tough time training within the Magicians' Guild but she little realised the level of animosity she would face from her fellow novices. The sons and daughters of the most powerful families in the realm, her classmates seem determined to see her fail - at whatever cost. But in accepting the protection of the guild's high lord, Sonea may have embraced an even bleaker fate. For High Lord Akkarin harbours a secret that is far darker than his magician's robes.

"You want to know the truth." Sonea has learned much since she was but a penniless urchin possessing an awesome untapped ability. She has earned the grudging respect of her fellow novices and a place in the Magicians' Guild. But there

is much she wishes she had never learned—what she witnessed, for example, in the underground chamber of the mysterious High Lord Akkarin . . . and the knowledge that the Guild is being observed closely by an ancient fearsome enemy. Still, she dares not ignore the terrifying truths the High Lord would share with her, even though she fears it may be base trickery, a scheme to use her astonishing powers to accomplish his dark aims. For Sonea knows her future is in his hands—and that only in the shadows will she achieve true greatness . . . if she survives.

"Even if a magician's powers surface of their own accord, he will soon be dead if he does not gain the knowledge of how to control them." Alone among all the novices in the Magicians' Guild, only Sonea comes from lowly beginnings. Yet

she has won powerful allies—including Lord Dannyl, newly promoted to Guild Ambassador. But Dannyl must now depart for the Elyne court, leaving Sonea at the mercy of the lies and malicious rumors her enemies are busy spreading . . . until the High Lord Akkarin steps in. The price of Akkarin's support is dear, however, because Sonea, in turn, must protect his mysteries—and a secret that could lead a young novice mage deep into the darkness. Meanwhile, Dannyl's first order to resume High Lord Akkarin's long-abandoned research into ancient magical knowledge is setting him on an extraordinary journey fraught with unanticipated peril—as he moves ever-closer to a future both wondrous . . . and terrible.

Prompted by the Guild Ambassador, Lord Danyl leaves for the Elyne court. His first order from Administrator Lorlen is to resume, in secret, High Lord Akkarin's long-abandoned research into ancient magical knowledge. Not knowing the true reason for his journey, Danyl is soon facing unexpected dangers. Meanwhile, Sonea has almost forgotten the High Lord's dark secret, but keeping the truth hidden may be a grave mistake.
