Christianity began as a movement  
within Judaism at a period when the  
Jews had long been dominated  
culturally and politically by foreign  
powers and had found in their religion  
(rather than in their politics or  
cultural achievements) the linchpin of  
their community.

Quest For The Historical  
Jesus Christ  
Christianity came to regard Jesus as in some sense God's presence in human form.

Etienne Nodet and Justin Taylor investigate the character of the early Christian community by looking at the origins of baptism and the Eucharist and the links between them. A fundamental work on the initiation sacraments, "The Origins of Christianity" focuses on the Essenes at the time that this tradition-bound culture came in contact with the Gentiles. The result was a profound change that transformed a sect into a church.

For more than three decades, Professor David Flusser of the Hebrew University in Jerusalem has pioneered new understandings of the Jewish background of early Christianity. Many have been fascinated by his unique monograph on Jesus, translated into several languages. Most of his scholarly articles in English, including some new contributions as well as many published in not easily accessible journals, have been collected in this one volume. A must for New Testament scholars, and students of early Judaism, it will also be welcomed by the many lay persons for whom Professor Flusser has provided illumination on the origins of Christian faith.

Dealing with a time when "Christians" were moving towards separation from the movement's Jewish origins, this inaugural volume of *A People's History of Christianity* tells "the people's story" by gathering together evidence from the New Testament texts, archaeology, and other contemporary sources. Of particular interest to the distinguished group of scholar-contributors are the often overlooked aspects of the earliest "Christian" consciousness: How, for example, did they manage to negotiate allegiances to two social groups? How did they deal with crucial issues of wealth and poverty? What about the participation of slaves and women in these communities? How did living in

The New York Times bestseller and definitive history of Christianity for our time—from the award-winning author of *The Reformation and Silence*. A product of electrifying scholarship conveyed with commanding skill, Diarmaid MacCulloch's *Christianity* goes back to the origins of the Hebrew Bible and encompasses the globe. It captures the major turning points in Catholic, Protestant, and Orthodox history and fills in often neglected accounts of conversion and confrontation in Africa, Latin America, and Asia. MacCulloch introduces us to monks and crusaders, heretics and reformers, popes and abolitionists, and discover Christianity's essential role in shaping human history and the intimate lives of men and women.
