The Plume and Atwood Manufacturing Company illustrated ...

Plume & Atwood Manufacturing Company (1853) The oldest parts of the Plume & Atwood Manufacturing Company ' s factory in Thomaston date to 1853. In that year, clockmaker Seth Thomas, who was unhappy buying brass for his clocks from companies in Waterbury, built his own brass mill on the Naugatuck River. In 1869 a new company was organized, Holmes, Booth & Atwood, which purchased the factory with the agreement that they would continue to supply brass for Seth Thomas clocks.
