about witchcraft including 'How can I find a witches' coven?' and 'How can I become a witch?' Doreen Valiente tells you what the old religion of witchcraft has to offer the new age of Aquarius; how the age-old Craft of the Wise can be practised in the modern world; how to initiate yourself as a witch and found your own coven. of divination and other witch lore.

The author shows how the oral  
traditions of witchcraft throw light

not only upon the origins of the  
present-day witch cult and the

activities of the witch leader

George Pickingill and his covens,

but also upon the mystery of the

founding of the famous magical

order, the Golden Dawn. Also

discussed is the relationship

between the witchcraft of Britain

and Europe and the magical belief

of the Far East. Do both traditions

hark back to the legendary city of

Shamballah and to the

shamanistic practices of Asia?

And why do the secret circles of

the witches resemble those of the

Tantric sex-magic of India?
