In most cases, Toyota recommends that Toyota owners schedule a service appointment every six months or 5000 miles, whichever comes first. The maintenance performed during each service appointment varies by vehicle model and year, driving conditions and other factors that our trained technicians evaluate. However, recommended maintenance often includes services such as tire rotation, oil change and inspection of wiper blades, brake pads and fluid levels.

The A Series engines are a family of inline-four internal combustion engines with displacement from 1.3 L to 1.8 L produced by Toyota Motor Corporation. The series has cast iron engine blocks and aluminum cylinder heads. To make the engine as short as possible, the cylinders are siamesed. The original 1A engine was only 550 mm long. The development of the series began in the late
