You need a square, so fold one corner over to the opposite edge, so you have a triangle on the top folded piece, as pictured above. Cut off the excess rectangular piece that sits along the edge of the triangle. Open it out and you have a square piece of paper, folded so it is showing two triangles.

Start with a square of poster board or paper. The larger the square the larger your triorama will be. I have marked two lines on mine. You don't have to mark yours. Just fold along each of these lines then unfold. Fold it diagonally one way then unfold. And then fold it diagonally the other way and unfold.
