UNA STORIA, Montbrison - Menu, Prices & Restaurant Reviews ...

"unastoria" in realtà non ha quasi storia. E' difficile seguire le tavole e le parole, soprattutto all'inizio, e anche quando la situazione si è fatta più chiara quello che conta non è tanto la successione degli eventi ma la suggestione: la folgorazione di una nuca femminile, lo sguardo allo specchio di un cinquantenne in pezzi.

A proposito del libro di George Chauncey, *Gay New York: Gender, Urban Culture, and the Making of the Gay Male World, 1890-1940*, Basic Books / Hachette, 2019 (ma qui letto nella prima edizione del 1994, uscita in occasione del 25esimo anniversario della rivolta di Stonewall; l'edizione 2019 – cinquantenario – contiene una nuova prefazione)....

&"Una storia semplice&" è una storia complicatissima, un giallo siciliano, con sfondo di mafia e droga. Eppure mai - ed è un vero tour de force - l'autore si trova costretto a nominare sia l'una sia l'altra parola. Tutto comincia con una telefonata alla polizia, con un messaggio troncato, con un apparente suicidio. E subito, come se assistessimo alla crescita accelerata di un fiore, la storia si espande, si dilata, si aggroviglia, senza lasciarci neppure l'opportunità di riflettere. Davanti alla proliferazione dei fatti, non solo noi lettori ma anche l'unico personaggio che nel romanzo ricerca la verità, un brigadiere, siamo chiamati a far agire nel tempo minimo i nostri riflessi - un tempo che può ridursi, come in una memorabile scena del romanzo, a una frazione di secondo. È forse questo l'estremo azzardo concesso a chi vuole &"ancora una volta scandagliare scrupolosamente le possibilità che forse ancora restano alla giustizia&".

Una Storia Segreta brings a new perspective to the history of wartime violations of civilian populations. The essays in this volume bring together the voices of the Italian American community and experts in the field, including personal stories by survivors and their children, letters from internment camps, news clips, photographs, and cartoons.

Author and photographer Terence Wallis has had a love affair with Italy for more than thirty years. The country's beauty, warmth, and vibrancy, as well as its people's la dolce vita approach to life call to him again and again. It is the one place on earth where he feels genuinely at home. *Una Storia D'amore*, which means "A Love Story," is a collection of some of the best photos from Terence's travels throughout Italy over the past five years. It is an ode to the beauty of this timeless land, its people, and its rich heritage. Whether you are a seasoned traveler or a trip to Italy is still on your bucket list, you are sure to lose yourself in these photographs and feel as though you are experiencing this majestic country with Terence by your side.

Toro's debut novel offers a divine love story that takes one man back and forth between the Northeast and Midwest. When Michael leaves New York City and returns to Ohio, where he grew up, his life is a shambles. His ex-wife allows him to stay with her as he gets back on his feet, but their relationship remains broken. However, God intervenes in Michael's life, starting with a miracle that cures his chronic anxiety. Michael then has a vision and falls in love with a girl he's never met and feels prompted by God to woo her. A series of small miracles occurs to assist him; for example, he sends her a photograph of an angel statue that unintentionally includes the digits of his phone number. The path to love is not without trials, and Michael, his ex-wife and his new love interest must go through a healing process before they can find happy endings. Toro tells the story using a rhythmic, poetic style, giving the novel a dreamlike quality that compliments its romantic elements. This style does have its limitations, however; although the book's prayers and dialogue have a pleasant ring, they don't necessarily resemble natural speech. One prayer reads, in part, "I'd like for this ride to end...to put an end to this terrible spin, and start me anew on who you're willing to send...a normal but blessed love about to begin." Some plot details are so finely woven into the prose that casual readers may miss key information. Overall, Michael does a great deal of praying and reflecting--a narrative choice that benefits from the work's rhythmic style--creating a story that focuses more on emotion than action. A marriage of poetry and prose for fans of inspirational and romantic fiction. -- Kirkus Reviews
